

Thanksgiving

-Hi Hanna, where were you on Thanksgiving?

-Hello, I was at school.

-Really, on Thanksgiving? What did you do there?

-Yeah, really. I was on a Thanksgiving competition.

-And what was it about?

-Well, we had to do playful tasks which are connected to Thanksgiving.

-What tasks?

-The first task was, that someone wore a hat, which looked like a turkey head. They wore it and we needed to catch them. The second was a quiz. We had to answer questions related to Thanksgiving. Then we played activity. We had to show words, and our teammates had to guess them. After that, our last task was to make a pumpkin out of thread.

-That sounds interesting. Did you do anything else?

-Yes, we made cookies and cakes that we made ourselves. They were delicious. Each was better than the last one. We had apple pies, muffins and so much more.

-So, did you enjoy it?

-Yes, I did. I really liked it.
